Please find below and/or attached an Office communication concerning this application or proceeding.

Application No. Applicant(s) PAGE ET AL. Notification of Non-Compliant Appeal Brief 10/678,636 (37 CFR 41.37) Art Unit Examiner 3672 Nicole Cov -- The MAILING DATE of this communication appears on the cover sheet with the correspondence address--The Appeal Brief filed on <u>01 October 2007</u> is defective for failure to comply with one or more provisions of 37 CFR 41.37. To avoid dismissal of the appeal, applicant must file anamended brief or other appropriate correction (see MPEP 1205.03) within ONE MONTH or THIRTY DAYS from the mailing date of this Notification, whichever is longer. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136. The brief does not contain the items required under 37 CFR 41.37(c), or the items are not under the proper 1. heading or in the proper order. The brief does not contain a statement of the status of all claims, (e.g., rejected, allowed, withdrawn, objected to, 2. \square canceled), or does not identify the appealed claims (37 CFR 41.37(c)(1)(iii)). 3. At least one amendment has been filed subsequent to the final rejection, and the brief does not contain a statement of the status of each such amendment (37 CFR 41.37(c)(1)(iv)). (a) The brief does not contain a concise explanation of the subject matter defined in each of the independent claims involved in the appeal, referring to the specification by page and line number and to the drawings, if any, by reference characters; and/or (b) the brief fails to: (1) identify, for each independent claim involved in the appeal and for each dependent claim argued separately, every means plus function and step plus function under 35 U.S.C. 112, sixth paragraph, and/or (2) set forth the structure, material, or acts described in the specification as corresponding to each claimed function with reference to the specification by page and line number, and to the drawings, if any, by reference characters (37 CFR 41.37(c)(1)(v)). The brief does not contain a concise statement of each ground of rejection presented for review (37 CFR 41.37(c)(1)(vi)) The brief does not present an argument under a separate heading for each ground of rejection on appeal (37 CFR 6. □ 41.37(c)(1)(vii)). The brief does not contain a correct copy of the appealed claims as an appendix thereto (37 CFR 41.37(c)(1)(viii)). 8. The brief does not contain copies of the evidence submitted under 37 CFR 1.130, 1.131, or 1.132 or of any other evidence entered by the examiner and relied upon by appellant in the appeal, along with a statement setting forth where in the record that evidence was entered by the examiner, as an appendix thereto (37 CFR 41.37(c)(1)(ix)). The brief does not contain copies of the decisions rendered by a court or the Board in the proceeding identified in the Related Appeals and Interferences section of the brief as an appendix thereto (37 CFR 41.37(c)(1)(x)). Other (including any explanation in support of the above items): In the summary of the claimed subject matter, the limitations of the claim have to be "mapped" to the specification by paragraph number, page and line number or drawing reference characters. Applicant has not referred to each claim limitaiton, but rather the claim as a whole. Furthermore, the Applicant has not used drawing reference characters. In addition, because the 1.132 Declaration filed 4/2/07 was filed an an After-Final response, the Applicant was required to show good and sufficient reasons why the affidavit was necessary and was not earlier presented. See 37 CFR 1.116(e). It is assumed that the Affadavit was not filed until After-Final because the current rejection was not made until it was final, due to the Amendment Applicant filed. Applicant must indiciate if this statement is correct. WILLIAM P. NEUDER
